MATERIAL INFORMATION REGARDING EXPANSION OF COMPANY'S ETHANOL PLANT

In accordance with Section 96 and 131 of the Securities Act, 2015 and Clause 5.6.1 (a) of PSX Regulations, we hereby convey the following information:

The Board of Directors in its meeting held on July 25, 2023 has accorded approval for expansion of Company's Ethanol Production unit to 65,000 Liters per day. The existing plant has been in commercial production since 1960's and its distillation unit need to be upgraded in order to get enhanced end product along-with technological upgradation. The capacity will be enhanced to 65,000 Liters per day of Extra Neutral Alcohol (ENA). This upgradation will not only add value to the efficiency of the existing system but will also increase in sales and profitability.

PSX is requested to disseminate the information to the members.

Yours Sincerely,

(Mujahid Bashir)
Company Secretary
